The Gotham Quickstart Tennis Program emphasizes skill development and fun on a specially equipped tennis court at the Millennium UN Plaza Hotel. In friendly, small group tennis lessons, Gotham Tennis Academy's certified professional instructors utilize foam balls, mini-nets, and age and level appropriate miniature racquets to accelerate development of early muscle memory. In no time, your child will learn to swing the racquet and move his or her feet like a tennis prodigy! For beginners and advanced beginners between the ages of 3 to 9, you can expect your child to have fun, develop self-confidence, and learn tennis fundamentals.
